to [REDACTED]

Hey [REDACTED] sorry to be a bother, I have not had time to thoroughly read thru this transcript but I already noticed an error just by quickly perusing its index.

Current Line 16-17 says "[tyler] know that, Your Honor. Waste my time."

Whereas I said  
"Oh for the love of God, could we stop wasting time"

How would you like to proceed? Do you have audio you can verify my recollection against? Would you like me to submit this, and possibly more after I read the transcript in some form or here in email chain?

Thanks,  
Tyler
