(Título 23 de los Estatutos Consolidados de Pennsylvania, párrafo 5103) El formulario de Reconocimiento de paternidad se considera evidencia concluyente de paternidad que no requiere aprobación de un tribunal.

Entiendo que:

DERECHOS, RESPONSABILIDADES Y OBLIGACIONES

- 1. El reconocimiento de paternidad es completamente voluntario y cualquiera de las partes puede cancelarlo presentando una declaración por escrito firmada ante el Programa de Reconocimiento de Paternidad (por sus siglas en inglés, AOP) del DHS en: P.O. Box 8018, Harrisburg, PA 17105-8018. Dicha declaración debe presentarse dentro de los 60 días posteriores a la firma del formulario de Reconocimiento de paternidad o a la fecha de un proceso judicial relacionado con el niño (lo que suceda primero). Después de transcurridos los 60 días, el reconocimiento de paternidad puede ser objetado ante tribunal solamente sobre los fundamentos de fraude, coacción o error material de hecho, los cuales deben ser establecidos, a través de evidencia clara y convincente, por la parte que objeta. No se debe suspender una orden de manutención durante el período de objeción, excepto en caso de existir motivo suficiente.
- 2. Al firmar este formulario de Reconocimiento de paternidad, el padre tendrá los mismos derechos y obligaciones en relación con el niño como si hubiese estado casado con la madre en el momento del nacimiento del niño. El niño tendrá los mismos derechos y obligaciones en relación con el padre que habría tenido si el padre hubiese estado casado con la madre en el momento del nacimiento.
- 3. Al firmar este formulario de Reconocimiento de paternidad, los padres se obligan a proporcionar manutención de menores y cobertura de salud hasta que el hijo tenga al menos 18 años de edad o se gradúe de la escuela secundaria, lo que suceda más tarde, a menos que un tribunal resuelva lo contrario.
- 4. Si ambos padres firman el formulario de Reconocimiento de paternidad, se deberá indicar el nombre del padre en la partida o acta de nacimiento del niño.
- 5. Si la madre biológica no firma o se niega a firmar el formulario de Reconocimiento de paternidad, el presunto padre puede firmar el formulario. Al firmar el Reconocimiento sin el consentimiento de la madre, el padre tiene el derecho de recibir notificación sobre cualquier procedimiento legal para interrumpir un derecho parental relacionado con el niño.
- 6. Si alguna de las partes tiene dudas sobre si la persona que firma el Reconocimiento es el padre, él/ella tiene el derecho de hablar con un abogado para obtener asesoramiento legal, a su propia costa. Cualquiera de las partes puede solicitar una prueba genética para determinar la paternidad, para lo cual debe contactarse con la Sección de Relaciones Domésticas del tribunal de su condado local. ATENCIÓN: Al firmar este formulario de Reconocimiento de paternidad, usted renuncia al derecho a que se haga una prueba genética para determinar la paternidad, a menos que cancele el Reconocimiento por escrito dentro de los 60 días de haber firmado el formulario.

Al firmar el formulario, la madre consiente con la siguiente declaración: Consiento por este medio al Reconocimiento de Paternidad y que el padre natural nombrado arriba es el padre de mi niño nombrado arriba, declaro además que era soltera al momento del nacimiento de este niño. Note: If a parent does not have a Social Security number and the No Social Security Number Declaration is not provided, the Acknowledgment of Paternity form will be rejected. This will cause a delay in establishing paternity for the child and in receiving a birth certificate listing the father's name.

Nota: Si la madre y/o el padre no tienen número de Seguro Social y no proporcionan la Declaración de Que No Tienen Número de Seguro Social, el formulario de Reconocimiento de Paternidad será rechazado. Esto causará un retraso en el establecimiento de la paternidad del hijo y en recibir el certificado de nacimiento con el nombre del padre.
